Top mattresses

Choose a top mattress according to your preferences to increase the comfort and breathability:

HR 40 COLD FOAM *

High resilience cold foam and fiber covered with stretch fabric.

LATEX *

Latex with durable orthopedic support and fiber covered with stretch fabric.

MEMORY *

Visco elastic foam with body supporting structure and fiber covered with stretch fabric.

SUPERSOFT *

Soft and flexible supersoft foam and fiber covered with stretch fabric.

SENSO

High resilience cold foam, covered from both sides with polyester fiber.

VISCO FLEX

Visco-elastic foam reacts to body heat and softly adapts to every curve.

CUMULUS

Extra thick and soft high resilience cold foam, covered from both sides with polyester fiber.

1000 LATEX

Latex and fiber with durable orthopedic support and fiber covered with selectable fabric on the sides.

1000 SUPERSOFT

Supersoft foam with durable orthopedic support and fiber covered with selectable fabric on the sides.

* Possible to order mattress borders in the same fabric as bed (Capella)
